PORTABLE STORAGE

COLLAPSIBLE, MICROWAVE SAFE

PARTY LUNCH

Taking fresh food to a party or picnic is healthy and fun, but it's not always fun to store big, empty containers. PARTY LUNCH solves that issue. Collapse the containers for compact storage, then pull them open to full capacity when you need them. When you're done, push down on the top of the large capacity, rectangular container and collapse it for your bag or purse. You can safely microwave your food beforehand, just open the top vent, then close when finished. The tough plastic and leak-proof seal keep your food fresh on the way, and taking it home and storing it is easy!

- Collapsible plastic storage.
- Safe and space saving.
- Microwave safe, vented lid.
- Leak-proof seal.
